CELEBRATING THE ENGAGEMENT OF KATIE BERG AND TYE COVEY IN NEW RIVER GORGE NATIONAL PARK AND PRESERVE

HON. ALEXANDER X. MOONEY

OF WEST VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 19, 2022

Mr. MOONEY. Madam Speaker, I rise today to celebrate one of the first of many stories to come out of America's 63rd National Park: New River Gorge National Park and Preserve in West Virginia.

On April 15, 2022, a young couple whose all-American love story began in the Midwest and flourished in our nation's capital chose to start the rest of their lives together while hiking the Beauty Mountain Trail.

It was a cool and quiet evening when Tye Covey and Katie Berg took in a sunset from the overlook.

As Tye searched for the words to match the wondrous moment, the Lord touched his heart. He said, "I explained to Katie how great it is that I get to spend every day with my best friend, and I asked her if she'd like to do that forever."

Their love story is as pure and true as the natural beauty at New River Gorge.

Please join me in wishing Katie Berg and Tye Covey a lifetime of adventures together as Wild and Wonderful as West Virginia itself.

RECOGNIZING NATIONAL THERAPY ANIMAL DAY

HON. TRENT KELLY

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 19, 2022

Mr. KELLY of Mississippi. Madam Speaker, today I rise to recognize April 30, 2022, as National Therapy Animal Day. Pet Partners therapy animal teams throughout Mississippi play an essential role in improving human health and well-being through the human-animal bond. Pet Partners animal teams make millions of visits per year in settings such as hospitals, schools and hospices. Pet Partners therapy animal teams interact with a variety of people in our community including veterans, seniors, patients, students facing literary challenges, and those approaching the end of life. These exceptional therapy animals who partner with their human companions bring comfort and healing to those in need.

There is a growing body of research that demonstrates the various ways in which therapy animals can make a difference in a person's life. They are believed to improve mental wellness by decreasing fear, anxiety, loneliness, and isolation. They may also influence our physical health, lowering perceived levels of pain, shortening recovery times, and help-

ing those who are ill have a positive outlook about their future.

In the State of Mississippi, we encourage our citizens to celebrate our therapy animals and their human handlers. Further, I publicly salute the service of therapy animal teams in our community and in communities across the nation.

On this day, I also wish to recognize Phillip and Kimberly Jackson, owners of For the Puppies Training Academy. I commend them for their hard work and steadfast dedication to training dogs for pet owners and to enhance the lives of others through their own therapy dogs—Pretzel and Oreo.

CELEBRATING THE 75TH ANNIVERSARY OF THE SAINT PAUL CIVIC SYMPHONY

HON. BETTY MCCOLLUM

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 19, 2022

Ms. MCCOLLUM. Madam Speaker, I rise today in recognition of the Saint Paul Civic Symphony as they celebrate their 75th anniversary of music-making in Minnesota's capitol city. Founded in 1945, the Saint Paul Civic Symphony is St. Paul's oldest orchestra, and was created to provide World War II servicemen returning from war with a way to reenter into the music community.

The symphony was established with four fundamental objectives—to provide the greater Saint Paul Community with free concerts with a wide range of symphonic literature, to provide musicians with an opportunity to perform in a high-quality symphony, to serve children in the community by offering interactive and imaginative performances to instill in them a love of music, and to deepen ties with their sister orchestra, the Nagasaki Symphony, and nurture cultural exchange between both cities.

This year the symphony has commissioned a new piece of music by local composer Steve Heitzeg titled "Green Hope after Black Rain (Symphony for the Survivors of Manzanar, Hiroshima and Nagasaki)" which reflects upon and celebrates the unique relationship between the Saint Paul Civic Symphony and the Nagasaki Symphony. This relationship as sister symphonies was the first affiliation of its kind in the United States, and fosters a fruitful exchange of repertoire and musicians between the orchestras.

The Saint Paul Civic Symphony has been a pillar of the arts in our community for many decades, and while this year actually marks their 76th season of performances, delays from the coronavirus pandemic have postponed their anniversary celebration to this spring. Music, like all forms of art, enriches our culture and our community, especially during challenging times like these past few years. And I am grateful to the volunteers, board of directors, musicians and music director Jeffrey Stirling, who are all deeply committed to supporting the arts and the mission of the Saint Paul Civic Symphony. Madam Speaker, please join me in recognizing the Saint Paul Civic Symphony as they return to in-person performances and celebrate their momentous 75th anniversary.
